SANTIAGO, **October 06, 2022**

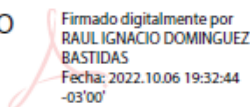

FROM: UNDERSECRETARIAT OF TELECOMMUNICATIONS

A: CSA GROUP

1. Leave without effect the office identified in Ant. 5.
2. According to the information provided by the ANT document. 1), this Undersecretary of State issues this certificate to operate within the country, subject to strict compliance with what is stated in letter j.1) of article 1 of the standard indicated in ANT. two):
 - Equipment type - : Cordless Radio with Lantern.
 - Brand -- : Makita.
 - Model - : MR010G
 - Manufacturer - : Sangean Electronics Inc.
 - Operating frequencies : BT / FHSS: 2402 - 2480 MHz.
 - Maximum radiated power : BT / FHSS: 2.22 mW (3.47 dBm).
 - Restrictions : These equipments must use techniques that allow the sharing of frequencies.
3. Failure to comply with the provisions of this certificate will be sanctioned in accordance with current legal provisions. This equipment must not cause interference to the services of telecommunications concessionaires and will not be protected from interference that they may eventually receive.

Kind regards,
By order of the Undersecretary of Telecommunications
